Note: [1] Above mentioned teams from Singapore and Hong Kong SAR (China) successfully participated in the 2016 Contemporary Undergraduate Mathematical Contest in Modeling. The certificates of participation will be sent to the teams through the addresses specified by the teams in their registration information on the website.

[2] There are over 31100 teams from China (including Macau SAR) participated in the 2016 China Undergraduate Mathematical Contest in Modeling. The contest results for these teams have been announced separately on the website <http://cn.mcm.edu.cn>.
